

Conference of Nada Moghaizel-Nasr

Title: The issue of integrating Higher Education Pedagogy in a Quality Assurance Process In The Light of New Challenges

Brief description of the presentation:

The presentation has three expected outcomes: By the end of the conference, the participants must be able to:

- Recognize the importance of university pedagogy according to the new challenges in higher education and researches in neurosciences
- Identify national and institutional measures promoting university pedagogy
- Be able to integrate pedagogical issues in a quality assurance process

It will cover the following outline:

- 1- The issue of university pedagogy according to the new challenges in higher education and researches in neurosciences
- 2- Frameworks promoting the improvement of pedagogical practices at a national and an institutional level
- 3- The integration of pedagogical issues in the quality assurance process at Saint Joseph University- USJ
